

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 3, 1995

SUBJECT: **SB 1549 - HB 1619**

This bill, if enacted, will provide that both county and city legislative bodies will review and approve the construction of any new private municipal solid waste landfill located within an incorporated area of the county. Presently, construction within incorporated areas only requires approval of the municipal governing body.

The fiscal impact from enactment of this bill is estimated to be an increase in first year local government* expenditures from additional review of solid waste landfills by local governments. A reasonable estimate of the increase cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director

*Article II, Section 24 of the Tennessee Constitution provides that: *no law of general application shall impose increased expenditure requirements on*

cities or counties unless the General Assembly shall provide that the state share in the cost.
